Partnering with Cuyahoga County and ODOE

What is Free Preschool?

Preschool helps ready 3-year-old children for kindergarten and beyond. Creative Playroom's program builds social skills, emotional resiliency, critical routines, and self-care milestones alongside academics and classroom work, thereby fostering achievement, curiosity, and a lifelong love of learning.

What is Free PreK?

PreK provides 4-year-old children with a more robust learning environment—including early literacy, fine motor skills, math, science and the arts—while strengthening social skills and independence. Further, community and family collaboration creates a circle of support for learning.
